

WAS IST WAS Kindergarten.  
By the Water

**Content:**

The new non-fiction series "Kindergarten" is suitable for children aged 3 years and up. Each book begins with a typical kindergarten scene, familiarizing kids with the various topics. Then a journey of discovery begins – to the water, to a petting zoo, to a knight's castle, or through the different seasons of the year. The colorful and cheerful design plus the numerous discovery flaps invite kids to take a closer look and find out all kinds of details.

Whether it's search-pictures, exciting additional information, simple experiments or great craft ideas, the new "Kindergarten" series conveys factual knowledge in an entertaining way!
