Coming Home, Vol. 1

Look inside
English version
of the 1st chapter

Stella is little Major Tom's friend. She knows a lot about history, loves computer games and she and her friends undertake the most exciting missions.

Plutinchen is a clever robot cat and constant companion of Tom and Stella. When it gets tough, she always has good ideas.

Little Major Tom lives with his friends on the space station Space Camp 1 and loves to explore space together with them.

Return to Earth, Vol. 2

With their brand-new spaceship, the Space Racer, the two young astronauts and the robot cat fly to Earth to uncover the secrets of a solar eclipse.

The Moon Mission, Vol. 3

A new adventure awaits: Tom, Stella and Plutichen the robot cat have an important mission on the Moon! But then the lunar ground starts to shake.

Comet Danger, Vol. 4

"Comet observation" is the task for the three young space scientists. And indeed: one of the comets breaks apart and the Earth is in danger!

Dangerous Journey to Mars, Vol. 5

Finally it's time! The three friends fly to Mars! But when they arrive, the research station seems to be extinct. What happened?

Adventure on Mars, Vol. 6

Exciting times on Mars! The three friends explore the red planet. But then they get into a dangerous sandstorm. Now they have to do something fast.

Out of Control!, Vol. 7

Back to Earth! But during the landing the Space Racer gets out of control. And then Plutichen's memory chip doesn't work properly anymore!

Lost in the Rain Forest, Vol. 8

Into the jungle! Tom, Stella and Plutichen have to do a test flight with their repaired Space Racer into the fascinating rain forest!

Under the Spell of Jupiter, Vol. 9

Off they go to Jupiter! The three young scientists are so captivated by the giant gas planet they miss the wormhole for the way back!

The Black Hole, Vol. 10

What a shock! On their flight home from planet Jupiter, the wormhole brings the three young space scientists close to a black hole.

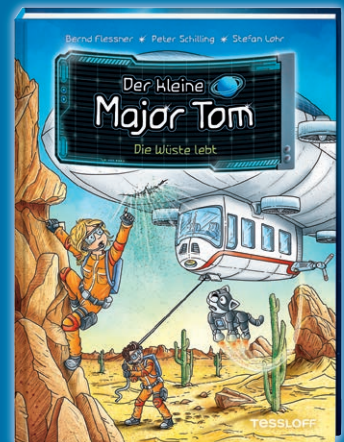

Who's gonna save Ming and Hu?, Vol. 11

Together with the Chinese astronauts Ming and Hu Little Major Tom and his friends are called to repair the outer shell of the space station. Will they successfully complete this spectacular outdoor mission?

Plutichen in Danger, Vol. 12

Researchers considering to replace Plutichen by robot dog Yuki. During a final test an emergency occurs and Plutichen really gets in danger.

The desert is alive, Vol. 13

When Tom, Stella and Plutichen set out on an electric airship in search of two research drones the three friends are faced with unexpected challenges.

Little Major Tom – Space School

Space School.
Adventure Space Travel

- When was the first rocket built? Were there already animals in space? How does a space toilet work?
- At Space School in Space Camp 1 Tom and Stella learn everything that is important about space travel
- All fans of Little Major Tom will find exciting knowledge presented with many photos, illustrations and ideas for experiments

- What does "Artificial Intelligence" mean? Where is it found in our everyday life? And will humanoid robots ever be able to completely replace humans?
- After a look back into the past, when people dreamed of independent machines, the book presents the possibilities of Artificial Intelligence and offers a look at the future
- Great photos, funny illustrations and exciting experiments offer additional knowledge and fun

Space School.
Artificial Intelligence

Each title: HC, 72 pp, 20.3 x 25.5 cm, 4c, 8+

Puzzle fun in space!

- Many different types of puzzles
- Exciting facts about space
- With 20 window stickers

Universe

Each title:
SC, 24 pp,
with stickers,
21.7 x 30.4 cm,
4c, 7+

The Earth

Planets

The Moon
